2014 HALLOWEEN PARTY

## Commodore's Corner

*How do you know its fall in Hawaii?* We are into the **GENE WELLS MEMORIAL RACE SERIES**, invitations have been sent out for the **LIPTON ONE DESIGN CUP**, and we are at twelve named storms for the Central Pacific!!!

The second 2015 Work Day was held Saturday September 19th and was very successful. We got the container cleaned out, and a double door installed to vastly improve access, shop lights installed, a card reader installed on our new custom door leading up to the Clubhouse, garden work, burgees removed for cleaning, the upstairs was wiped down, refrigerators cleaned out, new cabinet with shelves set up for linens, and bathrooms were hosed out and well cleaned.

Many thanks to our volunteers: **John & Charlotte Ross, Jim Saylor, Doug & Bonnie Tiffany, Bill Suttell, Bill Peterson, Nina Peterson, Kristina Chapman, Jaye Preston & Irwin Layne, Dick Olsen, Mike Armstrong,** and **Carol Marsh.**

The next work day is set for Saturday, October 17th, 9 am to 4 pm. We want to focus on finishing the container upgrade and getting the ADA Bathroom cleared out and finished. We really appreciate all the volunteers who have made the two 2015 work days, as well as the Club's annual events, smashing successes. Your continued volunteer spirit is critical for moving our club forward. **MAHALO!!!**

The next Commodore's Chile, Cornbread, and Cocktails is scheduled for 6 pm, October 9th. **Joe Schmick**, Marine Surveyor with a specialty in marine electronics, will give a presentation and take questions. All you power boat members out there should find this presentation especially interesting. If you can help by making Chile or Cornbread or both, please call **Commodore Doug Tiffany**. All are welcome to attend this informative event.

NYC has answered the call and challenged the defender KYC for the 2015 **LIPTON ONE DESIGN CUP RACE** to be held October 24-25, 2015, at Kaneohe Bay Yacht Club on Kaneohe Bay. Sailed in Cal 20s by a crew of two or three, this race is always a fun event. NYC is currently assembling a team from crew of several boats who have shown interest.

The **HALLOWEEN RACE** is scheduled for Thursday, October 29th. **Ozone** is hosting the dinner and party, and it should be a great event. Please mark your calendars and plan on coming dressed in your favorite costume.

The next NYC Game Night and Pot Luck will be Saturday, Oct 24th, starting at 5:30 pm. Come out for some good non-sailing fun and fellowship.

Our second NYC General Meeting is set for Saturday, November 14th. Details to follow. Please mark your calendars and plan to come. No By-Law amendments have been proposed but we need to elect a new Rear Commodore and Board. We will have submitted our kitchen plans to the County Planning Department by then, and will be discussing construction plans and a schedule. We are going to need volunteer builders in order to insure that the new kitchen is up and running for the 2016 Racing Season.

*Have a great October and we'll see you out on the race course or up at the Club,*

# Kaua`i Sailing Association

## Physics of Sailing

KCC's annual Physics of Sailing was held at Nawiliwili Yacht Club in September. In attendance were twelve students. It was a great success and all who sailed enjoyed themselves! Mahalo to **Steve Taylor** for organizing the group.

## Hot Kaua`i Nights

Our Booth at Hot Kaua`i Nights

The cultural event and bon dance were a great success! It was an event to celebrate the many cultures on Kaua`i and promote non-profits in our community. KSA made fresh Lau Lau plates with the help of **Bonnie** and **Kealia Farms**. Thank you to all of the parents and Sailors who helped out during the two-night event held at Vidinha Stadium. The highlight for many of our crew was having knot-tying wars with the Sea Scouts, who also had a booth at Hot Kaua`i Nights.

## Adult Learn to Sail Lessons

There will be Adult Learn to Sail Lessons held in late December, if you know anyone who wants to participate, please let them know to contact Shale at [KauaiSailing@gmail.com](mailto:KauaiSailing@gmail.com)
